

DOC BONAR ARENA GUIDELINES FOR FACILITY USERS

Updated September 14th, 2021

Self-screening for coaches, instructors, and participants must occur before entry into the facility. See attached for self-screening information <https://sharedhealthmb.ca/covid-19/screening-tool/>

Please stay home if you or any of your household members are experiencing any symptoms.

All ice bookings must be made through the Arena Caretaker.

The renter/user group is responsible for the actions of their group or members.

The main access to the building will be locked when no rentals/ice times are booked.

As per current Public Health Orders you must be fully vaccinated to enter the arena if you are 18 years of age or older. Valid proof of vaccination and photo i.d. will be required.

As per Order 16 in the Public Health Orders – **any event that charges admission is a ticketed event and therefore anyone 12 years of age and older are required to show valid proof of vaccination before being admitted.**

Bookings will be spaced accordingly to accommodate regular cleaning & sanitizing.

Entrance to the facility will be through the doors at the main entrance on Finlay Ave. This entrance is to be used by all participants, coaches & officials, and spectators to ensure immunization status can be verified upon entry.

If you exit the facility during an event you must go back to the main entrance to re-enter the facility.

Upon arrival, hand sanitizer is to be used and will be provided by the facility.

Avoid congregating in shared areas such as the lobby, waiting rooms, washrooms, concession area and common areas and observe 2m distancing whenever possible.

Participants will be allowed to enter the facility 45 minutes prior to their scheduled ice-time. Everyone is asked to leave promptly after their scheduled event (20-30 minutes). Team staff will ensure the dressing room is left clean and tidy and will always be the last person out of the dressing room.

Coaches/Skaters/Patrons must adhere to all guidelines current to the date of rental/ice-time as outlined in the Public Health Orders and their Provincial Sport Association guidelines.

Each session is required to have a fully vaccinated adult supervisor (not required to be on the ice) to ensure current Public Health Orders are being followed. **This includes public skating, free ice, and sticks and pucks.**

High contact surfaces will be cleaned and sanitized by facility staff/users regularly. If additional cleaning is desired during your block/session – users are welcome to do so with their own supplies.

Equipment is not to be left in the facility after an ice session and can not be dropped off during the day as the facility is locked when there are no scheduled events taking place.

Showers are permitted if time allows.

Team off ice warmups are permitted in the designated areas. The north west bleachers and the area located directly under the Royals Room can be used for stretching and other activities but absolutely NO volleyball, soccer balls etc are permitted.

SPITTING is strongly discouraged anywhere in the facility.

Concession will follow the provincial restaurant guidelines.

GUIDELINES ARE SUBJECT TO CHANGE AT SHORT NOTICE AND WILL BE COMMUNICATED TO ALL USERS GROUPS IN A TIMELY MANNER.

PLEASE BE MINDFUL AND RESPECTFUL OF OTHERS. GUIDELINES ARE IN PLACE FOR YOUR OWN SAFETY.

BE RESPONSIBLE FOR YOURSELF AND YOUR FAMILY MEMBERS.
